Dear Parents,

In an effort to better serve our families and community, CCS is considering a three-year old program for the 2010 – 2011 school year. Only 15 children will be accepted. This program would include a full three-year old curriculum, age appropriate activities, and fun!

We are surveying our current families to see if there would be sufficient interest in this program. The year-round program hours would be 7:30 a.m. to 6:00 p.m. The approximate cost would range from \$5500 - \$6000. This fee would cover tuition, lunch (during the school year), and two snacks per day. If you are interested, please complete the information below:
