Minimum Admission Requirements (MAR) of the 17 UNC-System Schools*

<http://www.northcarolina.edu/aa/admissions/requirements.htm>

Six course units in **language**, including

- four units in **English** emphasizing grammar, composition, and literature, and
- two units of a **language other than English**.

Four course units of **mathematics**, in any of the following combinations:

- algebra I and II, geometry, and one unit beyond algebra II,
- algebra I and II, and two units beyond algebra II, or
- integrated math I, II, and III, and one unit beyond integrated math III.

(The fourth unit of math affects applicants to all institutions except the North Carolina School of the Arts.) It is recommended that prospective students take a mathematics course unit in the twelfth grade.

Three course units in **science**, including

- at least one unit in a life or **biological science** (for example, biology),
- at least one unit in **physical science** (for example, physical science, chemistry, physics), and
- at least one **laboratory course**.

Two course units in **social studies**, including one unit in **U.S. history**, but an applicant who does not have the unit in U.S. history may be admitted on the condition that at least three semester hours in that subject will be passed by the end of the sophomore year.

***Appalachian State University, East Carolina University, Elizabeth City State University, Fayetteville State University, NC Agricultural and Technical State University, North Carolina Central University, NC State University, UNC Asheville, UNC-Chapel Hill, UNC Charlotte, UNC Greensboro, UNC Pembroke, UNC Wilmington, UNC School of the Arts, Western Carolina University, Winston-Salem State University, North Carolina School of Science and Mathematics**

The College Prep Track at Crossroads provides students with a high school schedule that exceeds the MAR for college admission in the UNC-system.
