PRIVATE VEHICLE TRANSPORTATION Athletic Department

Crossroads Christian School is currently able to transport student-athletes to and from athletic contests and events. However, at times it may still be imperative that parents assist in this vital role as the activity bus may not always be available for use. It is also important to note that CCS does not sanction or authorize student-athletes to drive themselves or to travel to and from athletic contests with other student drivers.

By signing this form, I _____, as parent or legal guardian, give permission for _____ to travel with a designated coach or team parent in a private vehicle to and from scheduled athletic contests and events throughout the 2010-2011 school year.

In so doing, I absolve Crossroads Christian School, its insurers, agents, employees, representatives, and assigns from any and all causes of actions, claims, demands or expenses in any way connected with or arising out of said private transportation to and from all athletic contests and events.

Further, I understand that I must notify the coach if I leave an athletic site with my student-athlete after all required team activities are completed. I also agree not to transport any student-athlete, to which I am not parent or guardian, from an athletic site after all required team activities are completed, except by written permission by the authorized parent or guardian of the student-athlete.
