

# Support Our Mission

Choosing to give financially helps CCS ensure that each student receives an excellent Christian education. As a Christian school and a non-profit 501(c)3 organization, CCS does not receive any federal or state funds. Rather, it funds its programs through tuition, select fundraising, and charitable contributions from those who support our mission.

Your support and generosity will enable CCS to fulfill its mission. Your gifts, time, and resources will help the school to move forward and strengthen its spiritual, academic, and extra-curricular endeavors. All contributions are tax-deductible. Better yet, all contributions will carry eternal significance and make an impact on the lives of many young people.

If you would like more information about giving to CCS, please contact the Board of Trustees or the Development Coordinator.
